Description

TASKISUM Single Use Microfibre Cloths are for customers who demand hygienic cleaning that only microfibre can offer, but find it hard to organise the necessary laundry logistics.

These cloths offer the convenience of single use, combined with excellent cleaning performance, high reach and comfortable feel.

TASKISUM premium single use cloths have been **tested and proven to remove 99.99% of bacteria, including C. diff from the surface**, helping to prevent cross contamination in critical hygiene areas.

The cleaning performance is comparable to that of a re-usable cloth, while the ease of use increases the productivity of the cleaning staff.

For best results use in combination with TASKI Trolley accessories.
